

National Consortium of Breast Centers, Inc.
National Quality Measures for Breast Centers™ Program (NQMBC™)
Quality Measures

1. Imaging Timeliness of Care – Time Between Screening Mammogram and Diagnostic Mammogram
2. Mammography Call Back Rate
3. Surgical Timeliness of Care – Time Between Diagnostic Mammogram and Open Surgical Biopsy/Excision (no needle biopsy performed)
4. Imaging Timeliness of Care – Time Between Diagnostic Mammogram and Needle/Core Biopsy
5. Surgical Timeliness of Care – Time Between Needle Biopsy and Initial Breast Cancer Surgery
6. Needle/Core Biopsy Rate
7. Pathology Timeliness of Care - Time Between Initial Breast Biopsy (excluding open surgical) and Pathology Results
8. Pathology Timeliness of Care –Time Between Open (incisional/excisional) Initial Breast Biopsy and Pathology Results
9. Pathology Timeliness of Care – Time Between Initial Breast Cancer Surgery and Pathology Results
10. Pathology Report Completeness - Tumor Size
11. Pathology Report Completeness - Margin Analysis
12. Pathology Report Completeness - Margins Identified
13. Pathology Report Completeness - Lymph Node Analysis
14. Pathology Report Completeness - Specimen Sampling Adequacy
15. Five Year Stage Specific Survival Rate
- 16a. Pathology Report Completeness - ER AND PR Receptor Measurement for Invasive Disease
- 16b. Pathology Report Completeness - ER Receptor Measurement for Insitu Disease
17. Surgical Care - Sentinel Node Biopsy
18. Patient Satisfaction Survey - Use
19. Patient Satisfaction - Survey Development
20. Patient Satisfaction Survey Response Rate
21. Patient Satisfaction Survey Measure - Shared Decision Making for Choice of Surgical Option for Breast Surgery
22. Patient Satisfaction Survey Measure - Cosmetic Results Following Breast Reconstruction
- 23a. Breast Conservation Surgery - Overall Rate (actual patients)
- 23b. Breast Conservation Surgery Rate for Eligible Patients (potential eligible candidates)
- 24a. Chemotherapy Use - Rate for Stage II and III ER Negative and PR Negative Breast Cancer (actual)
- 24b. Chemotherapy Use - Rate for Stage II and III ER Negative and PR Negative Breast Cancer (potential)
- 25a. Post-Lumpectomy Radiation - Rate for Invasive Breast Cancer (actual)
- 25b. Post-Lumpectomy Radiation - Rate for Invasive Breast Cancer (potential)
- 26a. Adjuvant Endocrine Therapy - Rate for Invasive Breast Cancer (actual)
- 26b. Adjuvant Endocrine Therapy - Rate for Invasive Breast Cancer (potential)
27. Radiation Therapy – Break in Treatment
28. Reconstructive Breast Surgery- Myocutaneous Tissue (Flap) Complication Rate
29. Adjuvant or Neoadjuvant Chemotherapy- Complications Resulting in Inpatient Hospitalization Rate
30. Ambulatory Breast Cancer Surgery-Unplanned Overnight Stay Rate
31. Breast Conservation Surgery - Re-Excision Rate

You may not copy, transfer, reproduce or create derivative works from, any part of the Measures for any reason. You may make and retain file copies of "insubstantial portions" of the Measures solely for your internal purposes only. "Insubstantial portions" means a quantity of data from the Measures that would not reasonably substitute for a copy of the Measures and would not prejudice or diminish NCBC's advantage in licensing the Measures for commercial gain. Notwithstanding the foregoing, you may include insubstantial portions of the Measures and results in materials prepared in the ordinary course of your business. Any such materials shall cite NCBC as the source of the Measures and provide notice of NCBC's copyrights and other proprietary rights, as follows: © National Consortium of Breast Centers, Inc. 2008-2011. You shall provide NCBC with examples of re-distributed materials including any portion of the Measures upon NCBC's reasonable request, but shall not be required to provide confidential information to NCBC. You agree to immediately cease any such re-distribution on receipt of notice from NCBC that, in NCBC's reasonable judgment, such re-distribution involves more than an Insubstantial Portion of the Measures or is otherwise in violation of this Agreement.
